

HIGH VOLTAGE PINS

INSPECTION AND CLEANING SERVICE

REES SERVICE

Helping you to reduce waste and costs by recycling connecting pins.

The connecting pins are inspected and cleaned .

Sizing is checked using “go / no go” gauges.

The connecting pins are then individually bagged ready for installation.

Simply cut the end off the bag, holding the bag slide the pin into place then withdraw the bag. This will ensure that the pin remains clean.

Simply send the pins to us and they will soon be back on site ready for use.

We can also supply NEW connecting pins.
